

Remarks

Claims 1-25 were pending in the present application. The Office Action mailed December 28, 2005 allowed claims 10, 11 and 19-22 and claims 1-9 and 12-18 were rejected. Applicants have cancelled claims 1-9 and 12-18, therefore placing the application in condition for allowance. Claims 23-25 were presented in the previous Amendment/Response, but were not addressed in the Final Office Action. Thus, the indication that the rejection was "final" appears to have been premature. Applicants believe that these claims are also in condition for allowance. To the extent the Examiner believes these claims are not allowable, applicants request withdrawal of the final rejection, and a new non-final Office Action.

The status of the pending claims after the amendment is as follows:

<u>Claim</u>	<u>Status</u>

Respectfully submitted,
